Dear Napa High School Parent or Alumni,

We are writing to tell you about the Napa High School Sports Booster Club and to enlist your support for our organization. We are a group of interested parents and family members, teachers, and fans of Napa High Athletics whose primary goal is to provide funds for the 20 sports offered at Napa High. Our organization contributes almost \$100,000 in funds necessary to provide over 600 Napa High students with the opportunity to participate in high school athletics.

The primary ways in which we raise funds include our Membership Drive, sale of Reserved Football Game Seats, the Annual Crab Feed, Golf Tournaments and Concession Sales at Soccer and Football games. We think that you'll find that your participation tends to be an enjoyable experience, and more fun than work.

This year's task of raising money continues to be as challenging as last year. Due to the trend of State budget cuts, and subsequent cuts by the Napa Valley Unified School District, both the Napa and Vintage High School Sports Booster Clubs have been asked to raise an additional \$30,000 each. This is the amount required to provide transportation to all non-league games for all sports.

You can help to provide our children with the best high school athletic experience possible by joining the booster club, becoming an active member, and assisting in our fundraising efforts. You can start by filling out the form below, and including your \$50 membership fee for each membership. **Remember that each membership entitles you to admission to all regular season home games for all sports.** We invite you to attend our meetings on the second Tuesday of each month in the Napa High Athletic Office at 7pm.

Many hands make light work, and if we all lift together, we will ensure that our sons and daughters enjoy a first class athletic experience at Napa High School.
